Greetings, Students!

This document has been created by the Admissions and Student Services Office to assist you in navigating the financial aid process as you engage your seminary journey. Our goal is to connect you with tuition aid grants, outside scholarships, debt management resources, and student services programs designed to minimize your educational debt.

Tuition Aid Grants:

Through the support of generous donors, Phillips provides tuition aid grants to 100% of our students who maintain satisfactory academic progress and are enrolled in the Master of Divinity, Master of Arts in Ministry and Culture, Master of Theological Studies, Master of Arts (Social Justice), or Doctor of Ministry program.

Tuition aid grants are distributed as follows:

- DOC/UCC Students: 80%
- Underrepresented Racial/Ethnic Groups: 80%
- All Other Students: 60%

Tuition aid grants are automatically extended to a student based on the information contained in their admission application and is not contingent upon enrollment in a minimum number of hours. Your tuition aid grant percentage is included in your admission acceptance letter issued by the Director of Admissions and Student Services. This information is reported to the Registrar, who also takes care of student billing. Tuition aid grants are issued based on the total number of credit hours required for the completion of that student's degree program.

All students will be contacted about a month into the semester about writing a thank you letter to their respective donor(s). This request and detailed instructions will come from the Office of Admissions and Student Services. The seminary will mail your letter on your behalf. **If a student chooses not to write a yearly thank you letter to their respective donor, the student is no longer eligible for a tuition aid grant from the seminary.**

Also, please see the Student Services Section in Moodle to find information about our Textbook Voucher and Travel Grant programs!

Outside Scholarships:

The seminary maintains an "Outside Scholarships List," found in the Student Services section on Moodle and on our website. The various resources are divided into specific categories. Application deadlines and qualifications vary. Please explore these possibilities, as well as potential resources available through your denomination.

Debt Management Resources:

The seminary maintains a "Debt Management" section on the seminary website and in the Student Services section on Moodle. Please explore this valuable information to assist you in managing the cost of graduate theological education. The seminary has also created an interactive tool called the "[Cost Estimator](#)" that can be utilized to help you with budgeting and program planning. It is also located on the website and in the Student Services section on Moodle.

How to Estimate Your Per-Semester Costs

Tuition: If you are receiving a 60% tuition aid grant, your cost per credit hour will be \$192.00. If you are receiving an 80% tuition aid grant, your cost per credit hour will be \$96.00. To figure your semester billing, multiply the number of hours you are enrolled in by your cost per credit hour listed above. For example, if a student is enrolled in 10 hours and receives a 60% tuition aid grant, their tuition cost for the semester would be \$1,920.00

Student Life Fees: Students will be charged a \$125.00 per semester student fee for the fall and spring semesters and \$75.00 for the summer term.

Books: It is recommended that students anticipate spending approximately \$40.00 per credit hour on books. For example, if a student were enrolled in 10 hours, the estimated cost for books for the term would be \$400.00.

Steps in the Financial Aid Process for Students Who Are Not Seeking A Loan

Because tuition aid grants are automatically issued to students, students who are not seeking a loan do not need to complete any additional paperwork or take any further action. Your letter of admission states the tuition aid percentage you have been awarded. If this figure is incorrect or if you wish to discuss your tuition aid grant percentage, please see the Director of Admissions & Student Services.

When you receive your letter of admission from the seminary, you will also get a “Financial Aid Assessment Form.” If you *do not* wish to apply for a student loan, you do not need to complete this form.

NOTE: Financial Award Letters are ONLY issued to loan-seeking students.

FAFSA Submission Deadlines & Awards Letters

Because the seminary automatically applies tuition aid grants to qualifying accounts, students are only issued an annual “Award Letter” if they are seeking an unsubsidized student loan. The “Award Letter” is issued by the financial aid officer after the student has submitted their FAFSA. Award Letters must be signed and returned to the financial aid officer in order to finalize the loan process.

Annual Award Letters are issued on the following schedule:

DMIN students should submit their FAFSA by **May 1** for the coming academic year. Award Letters will be issued by **June 1**. (If a student begins their program of study in January, a one-term award letter will be issued. A FAFSA should be submitted by **November 1** and Award Letters will be issued by **December 1**.)

Masters-level students should submit their FAFSA by **July 1** for the coming academic year. Award Letters will be issued **August 1**. (If a student begins their program of study in January, a one-term award letter will be issued. A FAFSA should be submitted by **December 1** and Award Letters will be issued by **January 1**.)

NOTE: Students who submit a FAFSA after the above listed deadlines may experience a delay in their loan disbursement.

Steps in the Financial Aid Process for Masters-level Loan-Seeking Students

When you receive your letter of admission from the seminary, you will also get a “Financial Aid Assessment Form.” If you wish to apply for a student loan, this form must be completed and returned to the Director of Admissions & Student Services.

Masters-level degree-seeking students may obtain a federal direct unsubsidized student loan. Interest begins to accrue on an unsubsidized loan once the loan becomes active. The current interest rate is **6.08%**

If you wish to take out a student loan, here are the steps:

1. Complete and return the Assessment Form to the Director of Admissions and Student Services. Your form will be forwarded to the Financial Aid Officer.
2. Complete and submit a FAFSA (<http://www.fafsa.ed.gov>) The Phillips institutional code is 017239
3. Sign a Master Promissory Note (<https://studentloans.gov>)
4. Complete Entrance Counseling (<https://studentloans.gov>)
5. Once the seminary receives your FAFSA information, the Financial Aid Officer will issue you an Award Letter. *(The Award Letter will outline the tuition aid grant you will receive and the maximum amount you are eligible to borrow. Though your Award Letter will reflect the maximum you are eligible to borrow, please prayerfully consider ONLY borrowing what you need. Because interest starts accruing immediately, the balance due on your loan upon graduation will have grown substantially!)* The Award Letter should be thoroughly read, completed, initialed, signed, and returned to the Financial Aid Officer. **NOTE: The borrowing amount for each term of an academic year must be equivalent. For example, if you wish to borrow \$4,000.00 for the year, you would write in \$2,000 for fall and \$2,000 for spring on your award letter. You would not be able to borrow \$1,000 for fall and \$3,000.**
6. After your Award Letter has been returned, the Financial Aid Officer will certify your loan.
7. Loans are released for disbursement on **September 15th** during fall terms, **February 15th** during spring terms, and **June 15th** for summer terms. NOTE: loans cannot be disbursed early.
8. The Registrar's office will be notified by the Financial Aid Officer of your loan disbursement amount. Your loan will first be posted to your student billing account and all tuition and fees will be paid. If you have borrowed additional funds, that balance will be issued directly to you. The Financial Aid Officer will contact you to see if you wish to pick up the check at the seminary or have it mailed to you. Students can expect to receive their loan checks approximately 5 business days after funds have been released.
9. Masters-level loan-seeking students may enroll in the summer term and carry their balance over to the fall semester and pay both the summer and fall tuition and fees with their fall loan disbursement.
10. Every year, returning students are responsible for submitting a new FAFSA to the Financial Aid Officer and initiating the loan process for the next academic year.
11. In the fall, loan students will receive a borrowing summary statement from the Financial Aid Officer. This document is intended to increase student awareness of their indebtedness and help them make informed borrowing choices. It will reflect borrowed amounts only and not accrued interest. To calculate accrued interest and make judgments about borrowing, access this link: <https://studentloans.gov/myDirectLoan/repaymentEstimator.action>
12. Every graduating student and every student that withdraws from a program will need to complete Exit Counseling (<https://studentloans.gov>)

Other Important Notes:

- Students must be enrolled in a minimum of 6 hours to qualify for a student loan (This does not apply to doctoral program students.)
- If a student receives loan monies and then withdraws from their program during the semester or drops below 6 hours, it is likely the student will be required to return student loan money.
- Students on academic probation who do not exhibit satisfactory academic progress are not eligible to receive a student loan.

Steps in the Financial Aid Process for Doctoral-level Loan-Seeking Students

When you receive your letter of admission from the seminary, you will also get a "Financial Aid Assessment Form." If you wish to apply for a student loan, this form must be completed and returned to the Director of Admissions & Student Services.

Doctoral students may obtain a federal direct unsubsidized student loan. Interest begins to accrue on an unsubsidized loan once the loan becomes active. The current interest rate is **6.08%**

11. Every graduating student and every student that withdraws from a program will need to complete Exit Counseling (<https://studentloans.gov>)
12. All DMIN students are automatically considered full-time students and are not required to be enrolled in a minimum number of hours per Fortnight to qualify.

Billing and Payment Process

1. No later than the first week of a semester (or Fortnight for DMIN students), the Registrar will issue your bill for the academic term. (Your bill will not reflect your anticipated student loan deposit if you have borrowed funding for the semester.) Should you need to drop a course after the semester begins and your bill has been issued, please see the refund policy in the course schedule and talk with the Registrar.
2. Non-borrowing students may pay their balance when the bill is received or may utilize the payment plan. The payment plan allows a student to make 4 payment installments during the course of the semester. The Registrar will provide this form at the time bills are issued. All payment arrangements should be made with the Registrar.
3. Payments can be made at the seminary front desk or online at (<https://www.ptstulsa.edu/student-payments/>) The front desk will accept cash and checks and can also assist with credit card payments. NOTE: the front desk does not have access to student accounts, so if you are unsure of your balance, please contact the Registrar. The VP of Finance and Administration and the financial aid officer are also authorized to accept payments.
4. If you are receiving an external scholarship or payment assistance from a church or outside entity, please communicate this to the Registrar in writing. If the seminary will be receiving a check on your behalf, please have the issuing body write your name on the check memo line.
5. Masters-level loan-seeking students may enroll in the summer term and carry their balance over to the fall semester and pay both the summer and fall tuition and fees with their fall loan disbursement.
6. Students will receive a 1098-T form after the end of each calendar year.

Other Important Notes:

- If a student withdraws from a course, repayment of the awarded tuition aid assistance for the class will be required. (Every student is allowed 6 “grace” hours.)
- If a student receives an “F” in a course, repayment of the awarded tuition aid assistance is required.
