

There are several ways to create a link to the SSO page. The easiest way is to put a shortcut on your desktop in Windows is to create a desktop shortcut.

To create a Desktop shortcut:

1. Right click on your desktop
2. In the popup box hover over the new and it will expand giving you more options
3. Click on "Shortcut"
4. A Create Shortcut window will appear
5. In the "Type the location of the item" field enter <https://sso.ptstulsa.edu>
6. Click "Next"
7. Enter a descriptive name for the shortcut in the "Type a name for this shortcut" field.
8. Then click "Finish"
9. The link should now be on your desktop.

This will take you to the page using your default web browser.
