Below you will find the June 2021 DMIN schedule along with additional helpful details, intended to assist you in planning for your next DMIN program experience. Please consult the DMIN Handbook for additional program details.

## 1. Schedule

The June 2021 DMIN classes will be in session the week of June 21-25. Please block this week off on your calendars. Due to a number of unknowns related to the pandemic, a determination has not yet been made about class format delivery. If it is unsafe to meet on campus, these Foundation and Specialization classes will meet synchronously, via Zoom. This determination will be made **BY APRIL 1**.

Both DMPR 904 (June 26<sup>th</sup>, 8:30 am-Noon) and DMPR 905 (June 26<sup>th</sup> 1-4:30 pm) will be offered viz Zoom. Because the Doctor of Ministry program curriculum has migrated to the new hybrid format, even if classes can be held on the Phillips campus the week of June 21-25, **all** Foundation and Specialization courses will still have additional synchronous Zoom sessions on several Thursday evenings, from 7-9:15 pm Central. Each professor will determine their Zoom dates and those will be published by March 15 on the course book lists.

Video sessions will be scheduled on Thursday evenings, 7-9:15 pm Central time and each professor will post those dates on course book lists. (Book lists are published the first week of October for the January session and the first week of March for the June session.) (See pages 66-67 of the DMIN Handbook for more details.)

## 3. Project Courses

This June, the 904 Project Development Seminar I class will be offered on Saturday, June 26<sup>th</sup> from 8:30 am to Noon. The 905 Project Development Seminar II Course will be offered Saturday, June 26<sup>th</sup> from 1:00 to 4:30 pm. (NOTE: Additional contact hours for these courses will be fulfilled through required online modules.) If you wish to be enrolled in this class, please notify the Dean of Students by **May 1**.

## **4. Chapel Services**

Worship will be held at 11:00 am, Monday through Friday, June 21-25, 2021. If classes are able to meet on campus, the service will be held in Meinders Chapel. If it is necessary for classes to migrate to Zoom, the chapel services will be broadcast online. That determination will be made by April 1. Please note that attendance is expected for chapel services, as they are included in your total program contact hours.

## **5. Enrollment**

The first week of March, you will receive an email from the Admissions & Student Services Office with a "Program Trajectory Form" attached, created to assist you in tracking your progress through the DMIN curriculum. When you receive this information, please double-check the data on this sheet to verify it is correct. If you see any mistakes, please notify the Admissions & Student Services Office and we will adjust your record. You will notice we have already added to your form the class we are recommending for you in January. (It will be highlighted in yellow.) We prefer students complete the 3 Foundation courses before taking a Specialization course. If you would like to request a different course, please contact the Dean of Students.

\*Please note: due to the pandemic, there are no summer immersion courses on the schedule.

## **6. Book Lists**

Course book lists are now being housed in the "Student Services" site on Moodle. (That is also the location where you will find many other helpful documents and important details about available student resources!) Book lists are posted the first week or two of October for January sessions and the first week or two of March for June sessions. If you have any questions about your book list, please contact the Academic Affairs Office.

## **7. Syllabus & Moodle Course**

Your DMIN course will be turned on and visible to students 30 days before the 1<sup>st</sup> day of class. Your syllabus will be posted in the Moodle course.

## **8. Community Meals**

If June classes are in session on campus, there will be a daily Community lunch in the Student Commons from Noon to 1:00 pm. A donation basket will be available if you wish to contribute something toward the cost of the meal.

## **9. Grades**

Grades for the June session are due in the registrar's office on **September 15**. The deadline to file for an "Incomplete" is **September 1**. Your grade sheets will be mailed to you. We are currently in the process of migrating to a new Student Information System, so in the very near future, students will be able to check grades, account balances, etc. electronically. We will keep you posted on our progress!

## **10. Financial Aid:**

In the Student Services site in Moodle, we have a financial aid tab where you will find our Financial Aid Handbook. If you have any questions about any information in the handbook, please contact the Dean of Students.

## **11. Billing & Refund Period:**

You will receive a bill for your June session mid-month. Billing is handled by the registrar and payment plans are available.
